This map gives detailed information about Chicago Transit Authority bus and elevated/subway train service, and shows Pace suburban bus and Metra commuter train routes in the CTA service area. It is updated regularly, and available at CTA rail stations, Metra downtown terminals, visitor centers, airports, or by calling the RTA. Travel Information Center number below.

## Regional Service Overview

**CTA** runs buses (routes 1 to 206) and elevated/subway trains serving the city and 35 nearby suburbs. Most routes run daily through late evening, every 10 to 20 minutes. Sunday schedules apply on New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.

**PACE** runs buses throughout the suburbs (routes 208 and above), and many routes connect with CTA. Major routes run daily through mid-evening, every 30 to 60 minutes. You can use your Ventra Card or Ventra Ticket, or your own personal contactless bankcard to ride.

**METRA** runs 11 suburban commuter train lines from several downtown Chicago terminals. Rush hour service is frequent; otherwise every 1 to 2 hours. Most routes run daily. Fares are separate, but a Link-Up Pass is available to Metra monthly ticketholders for use on CTA (weekdays 6am-9:30am and 3:30pm-7pm) or Pace (anytime).

**SOUTH SHORE LINE** runs commuter trains between downtown Chicago (Millennium and Van Buren stations) and South Bend Airport in Indiana. Daily service. Fares are separate.

## Bus and Train Tracker

Get estimated arrivals with CTA Bus Tracker™ and CTA Train Tracker™

Transit trackers from CTA help take waiting out of your trip. With estimated arrivals from CTA Bus Tracker™ and CTA Train Tracker™, you can rest easier and spend less time waiting and more time doing.

Information on both bus and train service is available on the Web, in apps, by text message and on digital signs at many CTA bus stops and train stations. (Look for arrivals on either side of the outside roof on bus shelters or on electronic signs in train stations!)

Text us like we're your new best friend

Before you go, look up estimated arrivals using either CTA Bus Tracker or CTA Train Tracker on our website and take note of the text messaging instructions. They look like this:

Text CTABUS 550 to 41411 for estimated arrivals.  
 Text CTATRIN THOR to 41411 for estimated arrivals.

Be sure to write your text with "ctabus" or "ctatrain", then a space, then the stop ID. If you don't know the ID for the stop you're going to use in advance, you can look up bus and train stop IDs by texting CTABUS [ROUTE] or CTATRIN [ROUTE COLOR] to 41411.

Otherwise, specific instructions are now posted at the bottom of each CTA bus stop sign and on timetable posters located in each train station.

Visit [transitchicago.com/howto](http://transitchicago.com/howto) for more detailed information, advanced options, and complete lists of stop IDs. Note: Message and data rates may apply. Check with your mobile carrier first. If you need help, e-mail us at [feedback@transitchicago.com](mailto:feedback@transitchicago.com).

## Bike & Ride

Bicycles can be carried on CTA trains and on bus bicycle racks. Bicycles are permitted on trains weekdays (except from 7am to 9am and 4pm to 6pm), and all day on Saturdays, Sundays and holidays (except July 4th and other periods of crowding; check customer alerts). Over 90 stations have indoor or sheltered bicycle parking.

Limit two bicycles per train car or bus. Restrictions apply to customers under age 14. Bike & Ride brochures are available at CTA rail stations, or by calling 312-836-7000. You can also visit CTA's website at [transitchicago.com/bikeandride](http://transitchicago.com/bikeandride).

## Accessibility

### Accessible Bus Service

All CTA buses are accessible to people with disabilities. CTA buses "kneel" on request, lowering the bus to curb height. All buses also have ramps at the forward doors; anyone can ask for the ramp to be deployed.

Other accessibility features include priority seats and wheelchair securement areas. Automated voice announcements — both interior and exterior — help make stop, route and other information accessible to people who are blind or visually impaired. LED signage on CTA's buses enables people who are deaf or hearing impaired access to this same information.

### Accessible Rail Service

All CTA trains provide space for wheelchairs and have a designated wheelchair securement area. All CTA railcars have Braille signage, priority seats, and both interior and exterior stop and route recorded voice announcements.

"Gap fillers" are available at all stations to bridge the space between platform and train. If you need a gap filler to get on a train, ask the Customer Assistant or train operator for assistance.

Accessible stations have elevators and/or ramps to help customers reach platforms. Elevator status is updated hourly. For information on elevators that are temporarily out of service:

- call 1-888-YOUR-CTA (1-888-968-7282), wait for prompts, then press 7.
- call 1-888-CTA-TTY1 (1-888-282-8891) (for hearing impaired).
- go to "Elevator Alerts" page on [transitchicago.com](http://transitchicago.com).

### Priority Seating

Priority seating is for customers with disabilities and seniors. Please move from a priority seat when requested. Please allow customers with disabilities to board CTA buses and trains first.

Customers who use wheelchairs or scooters have top priority to the flip-seat wheelchair securement areas on CTA buses and trains. Customers with other disabilities and seniors have top priority to the fixed priority seats on all of our vehicles. All other customers may sit in these seats unless they are needed by customers with disabilities or seniors.

# First Bus / Last Bus Times

All CTA and Pace buses are accessible & to people with disabilities. Use this chart to determine days, hours of service, where each route begins and ends, and first and last buses in each direction on each route.

CTA's Bus Tracker website (ctabustracker.com) is your source to check the location and estimated arrival times of your bus via computer or web-enabled mobile device. See Bus and Train Tracker panel below and left for more information.
